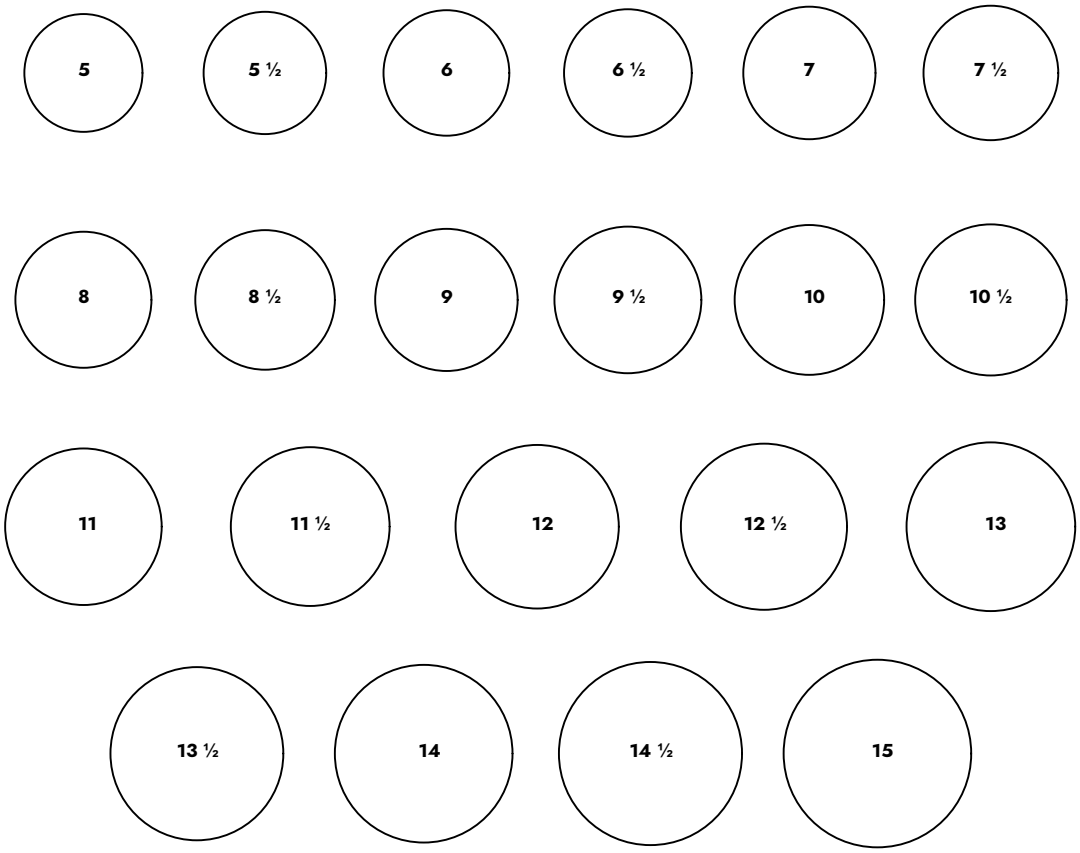
SEBASTIAN CILENTO JEWELRY

This page must be printed at 100% for accurate size measurement.

Set up the page scale to 100% or actual size in your printer settings. Check with a ruler that the 100mm line on this printed page is exact. Sizes using this page are considered approximate and may need to be re-adjusted.

100mm

RING SIZE TEMPLATE

INSTRUCTIONS :


- Choose an existing ring that fits on the desired finger for your new ring
- Move the ring between the circles below until you can see the entire circle inside the ring
- The number of the circle that fits exactly inside the ring will be your **US ring size**
